What a welcome to the year 2004. We gambled and won on the weather for January, again. A little cool to begin with, then it warmed up to be a great shooting day. Turnout was a little light so we fired 2 relays and finished by about 11:30.

It seems that some people don't have to practice up to stay at a high level of performance. Again, Michael Carter proved that he was one of those people. After a layoff of several months, Michael returned to pickup where he had left off. Winning the match with 491-12x, he was right on track with his past performances. Great shooting.

Several new shooters to our range this month. Larry Schermerhorn's son, David (soon to leave for the Army), Colin Brofman from Tyler and David and Justin Keys from China Springs were welcomed additions to the mix of shooters.

We will have a guest match director for the Feb. match as Dave Wilson and myself will be attending the TSRA Annual membership meeting in Mesquite the first weekend of Feb. Don't let this hold you back from coming out for the match. As a matter of fact, bring a new shooter with you.
