Great turnout on a wonderful spring day. Thirty six shooters including 4 F-class and all of this without about 6-8 of the regular shooters. It won't be long until we are running a full range or 4 relays. That is what it is all about.

Going along with the attendance, the shooting was just as great. Justin Utley led the way with his 489-14x win as seven shooters went 480+ with many others close behind. The level of shooting just keeps on getting better. This is why we expect to see someone we know in the winner's circle at every match we attend.

The F-class shooters fired a modified across the course match with only 5 rounds being fired in the rapid fire stages. It is good to have these guys on the range plying their skills. As we continue, they will be moving into firing from position and using slings. You never know what you might run into on a tactical situation. Practice to be prepared.

Next months April match will be the first 80 shot match of the season. Be getting your entry forms in for the 2004 Regional Championship, last year we were full a month before the match. Don't miss out on one of the best matches of the year.
