Opening day of deer season for Texas and Louisiana bit into the attendance of the 50 shot National Match course. We got to fire many more shots than those successful hunters. You know that the trouble starts with the first shot when you are hunting. Once they fill their freezers, I expect to see them out to get their dose of muzzle blast. Good hunting, guys.

Robert Langham led off the morning while winning the standing match with his 95-4x and followed it up by x-ing Roger Sepaugh in the sitting rapid fire match clean. The prone rapid fire match was won by Rick Crawford with a 99-6x and Michael Carter cleaned the 600 yard line with 9x. Michael was the match winner with a stiff 491-18x. The combined class winner and second over all was Roger Sepaugh with 487-12x.

Recognition of our club members and their success in the state championships was in order as Justin Utley was the 2006 TSRA service rifle champion, John Dunaway was second place and Evan Hess was the 1<sup>st</sup> High Master. Justin also won the EIC Leg match, Roger Sepaugh was second and Evan was third in the medals but the points went to Rol Coggins (10) and Kelly Wolfe picked up 6. Additionally, Robert Langham won the Vintage rifle category at the state Garand match with his K-31 Swiss.

Be watching for the programs for next year and set your calendar with plans on being part of these events including the regionals and state championships. Don't sell your self short on the fun you'll have being part of these events.
