

Club Members ,

We have a Bank that will carry our loan. So, with that, those that have so generously offered to loan the club money up front for the purchase of the land, we are ready to start receiving it. Please remember this is not a donation, it is a loan. As soon as the bank loan is paid, we will start paying members back. We will move forward with the purchase as soon as we receive your money. We would like to receive it by September 1st, if possible.

Make checks payable to Panola County Gun Club.

Please send your checks to:

Randy Nash

Shreveport, LA. 71107

Thank you for all of your help in saving our club!
