Legend: Club Member, award eligible w/ 3 qualifying scores
Club member, not yet award eligible

Any competitor who is a club member and shoots in three (3) or more monthly matches will have their highest three scores combined and be eligible for a club championship award. The tabulation will be done via percentage with X count used as a tie breaker.

Trophies to be awarded in December are for the high across the course (XTC) shooter, the high mid-range prone sling shooter, and the high mid-range prone F-Class shooter.
