The great shooting continues with some impressive improvements being seen. I'm really looking forward to seeing the scores at mid season. Good turnout and better to come. Be watching for the regional program – I'll have it out about the end of Feb.

If you are thinking about shooting the Beaumont regional (March 18-20), get your entry in soon. They have a limited range capacity, too. The firing plan will be to fire 600 yd. before going forward to the 200 yardline. Last years match was well attended and it is a good trip to take. Motels are located at the intersection of I-10 and Hwy 69.

See you on the firing line.
