Cool and cloudy but the scores were hot. We added another to the list of the PCGC High Masters as John Dunaway made the jump to the top classification. This is really a major accomplishment within the shooting sports. Very few will ever make it to the top, so congratulate John the next time you see him. Maybe by next month, he will be Distinguished, too.

Justin Utley came close to the range record for offhand with a great 100-3x.

We continue to see new faces on the firing line. That's a good thing. David Herrington and Gary Stevens fired there first match and I think we have them on the hook. Let's keep bring them in.

The April 2 match will be the first 80 shot match of the year. Bring extra ammo and we will..

See you on the firing line.
