We had 24 shooters for the last across the course match of the year. A front came thru on Saturday night so we had a great match with high overcast, mild temperature and light winds once we got back to the 600 yard line.

Sharpshooter class was won by Clayton Brakeville at 455-7x while junior Joshua Schlaudt edged the rest of the Expert class with 469-10x. Firing his service rifle AR, Rodger Sepaugh won the Master class – 488-18x along with the 300 yard prone rapid fire match – 100-4x. Turning over a new leaf, Justin Utley broke out his new AR match rifle with about 15 rounds down the barrel and was impressive with just 2 sighting shoots before cleaning the off hand match with 100-2x. Rick Crawford won the sitting match in the tie breaker with Jon Rhynard's 100-6x and the 600 yard match with 199-9x. Jon lost the 300 yard match tie breaker to Rodger on the tie breaker – oh, so close. The aggregate had the same situation as Justin and Rick each turned in 491-19x but it was Rick after the tie breaker. I don't recall this many ties in one match. Great shooting that we've come to expect.

The 2011 season will kick off on January 8 with a 50 shot National Match course of fire. This will get us away from the New Year's weekend but we will return to the first Saturday for most of the remaining monthly matches. The Regional will be May 13-15 since the first weekend is Mother's Day – don't mess with Momma. We had a great year and the expectation for the coming year is for even greater things to come.

Until next time, shoot 10s
