- Awards will also be made within classifications provided that there are a minimum of five competitors within that classification. Classes will be combined upward (19.8.1) as required except that the High Master class will not be combined. If less than 5, the High Master classification will fire for place awards only.
- Competitors winning a place award will not receive a class award in the same match.
- The number of awards is determined by the number in the class. Second, third, fourth place, etc., awards will be given based on one award for each five (5) competitors, i.e., second 6-10; third 11-15, etc.

Final Results Bulletin will be posted to the Club's webpage at www.epcgc.com. Competitors will be able to download and save and/or print their own results. For a paper copy of the final results competitors must provide the match director with a self-addressed stamped envelope.
