Equipment: The use of compensators or muzzle brakes is prohibited. Sound suppressors are authorized for use in competition; competitors are responsible for compliance with applicable laws for possession/ue. Rifle types are divided into 3 categories as follows:

- #A: Sling rifle consisting of Service Rifle (HP rule 3.1 a-e); Any/Match Rifle (HP rule 3.2/3.3); and Palma Rifle (HP Rule 3.3.1);
- #B: Tactical Rifle (AR) as defined by HP Rules Section 23 Tactical Rifles on the AR-Platform chambered in either .223 cal/5.56mm or larger than .223/5.56mm up to and including .308 cal. / 7.62mm;
- #C: F-Class which are defined by the F-Class rule book section 3 and are either Open (F-O); or F-Class Target Rifle (F/TR). The F-TR competitors may be separated from the F-Open for award purposes if more than 3 people are entered in the F-TR category.

Ammunition: Competitors are required to furnish their own safe ammunition. Any defective or unsafe ammunition will be removed from the firing line. Any competitor that cannot get/stay on target will be removed from the firing line. No tracers or AP are allowed. No calibers larger than 0.35 may be used at PCGC. All 5.56 / .223 ammunition must utilize a 62-grain or heavier bullet at the 600 yard-line.

Range Rules & Policies:

- No equipment on the firing line (or concrete) until the relay is called to the line. Each relay will be called to the line ~ 5 minutes prior to the start of the preparation period.
- On the firing-line, competitors as well as any observers must wear hearing protection.
- The use and proper wearing of eye protection by the competitor and scorer is highly recommended.
- Competitors must bring their own device by which to receive/view/record the electronic shot placement and value. PCGC will NOT provide devices nor power to charge device batteries.
- Brass must be picked up, even if the competitor does not want to keep it.
- Trash must be placed in a trash bag, where available, or leave with the competitor.

- Speed limit on range roads is 15 mph.
- Chamber Flags: The use of an empty chamber indicator (ECI) is always required even while the rifle is in the case. Only during a preparation period or actual firing may the ECI be removed from the rifle. ECI's may be purchased for \$1.00 each.
- Magazines and loading blocks may only be inserted in the rifle during the preparation period or live firing.
- Level-loading is required. Rifles must be pointed at the impact berm or lower while closing the bolt.
- Parking is to either side of the 600 yard line.
- Electronic Devices: All electronic communication and audio devices forward of the ready line are to be silenced and communications disabled (rule 3.22) Use of a cell phone to keep time is permitted only when "cellular data" is turned off, i.e., the phone is in airplane mode. Reminder, the use of radars, chronographs and other devices designed to measure bullet velocity are prohibited on the line (rule 3.22 (c)).

Scoring: Competitors must perform scoring/verifier duties and be familiar with applicable rules NRA sections 10.17 and 14. The paper scorecard is the official record. It is the scorer's/verifier's duty to faithfully observe both the shooter and the electronic target monitor to guard against crossfires and spurious electronically recorded shots.

- Signed scorecards are to be turned in by the scorekeepers following the completion of each match.
- Errors on a scorecard should be crossed out and initialed by the scorer. Erasures and/or changes without the scorer's initials could disqualify the team for that match.

Challenge Period: The challenge period will end 15 minutes after the posting of scores and when the competitors in the pits return to the firing line. The statistician officer will resolve all protests.

Pit Service & Requirements: If target pulling becomes necessary, e.g. issues with e-targets, competitors must:

- Ride the trolley to/from the 600-yard line and the pits; no walking back/forth.
- Hearing and eye protection are required to be worn/used. Also, wearing of a billed hat is highly encouraged.
- Except for match staff, non-competitors are not allowed in the pits unless prior approval & permission is obtained from the Match Director. These individuals must abide by the pit rules.
- Paid (hired) pullers are not available, but competitors must notify the Match Director if they make their own arrangements for a puller. Competitors not physically able to pull targets must provide their own qualified target puller and notify the Match Director.

Range Amenities:

- Portable toilets are available behind the firing line and in the pits.
- There is no potable water at the range; competitors are encouraged to bring sufficient water or other non-alcoholic beverages for their personal consumption sufficient for the day.
- Shade canopies (personal) are only permitted in the parking area; no shade canopies behind the 600-yard line (area between the concrete and the tree line). Owners assume all risks.
- There will not be a lunch break.

Results: Match results will be temporarily posted on the Club home page, www.epcgc.com, and then archived by year at http://epcgc.com/?page_id=123. Competitors will be able to download and save/print their results.

Awards (for Regional & Club Championship):

- The Club Championship will be shot concurrently with the Regional as detailed in the course of fire. However, only a PCGC member can be named the Club Champion. The Club Champion, by rifle type, will be awarded a Club Champion plaque and will be eligible for all Regional classification, category, and

aggregate awards.

- Grand aggregate place awards will be presented to the winners by rifle type. If there are less than five any/match rifle entries, then there will no differentiation by rifle type.
- Match and classification awards will be made if there are a minimum of five competitors within that match / classification. Classes will be combined upward as required except that the High Master class will not be combined. If less than 5, the High Master classification will fire for place awards only.
- The number of classification awards is determined by the number of competitors within that classification. Second, third, fourth place, etc., awards will be given based on one award for each five (5) competitors, i.e., second 6-10; third 11-15, etc.
- Competitors winning a grand aggregate place award may not receive a Special Category Award.
- Competitors who receive a grand aggregate award will not receive a classification award for the grand aggregate score.
- A “Special Category Award” will be awarded based upon the Grand Aggregate scores if there are five (5) or more competitors in that special category. The Special Category Award recipients may receive classification awards for the individual stages.

NRA Distinguished Rifleman Award: Steps toward this distinguished award will be reported based on the Grand Aggregate (Match 10) score.

National Records: May be set in accordance with Section 17 of the current, applicable NRA rulebook. Competitors must be an NRA member to set a National Record. Courses of fire which National Records potentially be established are as follows:

- Highpower Rifle – 17.5 (w and x, any sights) 600 yds 20 shots; (ai) 60 shots in 20 shot strings at 600 yds
- F-Class Rifle – 17.5 (c) 600 yds 20 shots and (g) 60 shots in 20 shot strings at 600 yds
- Recognition for individual scores fired as a special group (“Police”, “Service”) may also be fired.
