Make sure the device is in airplane mode, WIFI source "Shotmarker" is selected, and no "www" is in front of the URL. At the completion of the match, competitors are requested to assist with refacing targets

- Competitors are urged to bring additional ammo as electronic targets are prone to causing range alibis.
- An addendum may be published to this match program to delineate PCGC practices concerning e-targets.

Scoring: One member from each team must perform scoring/verifier duties and be familiar with applicable rules NRA sections 10.17 and 14.

- The paper scorecard is the official record.
- It is the scorer's/verifier's duty to faithfully observe both the shooter and the electronic target monitor to guard against crossfires and spurious electronically recorded shots.
- Signed scorecards are to be turned in by the scorekeepers following the completion of each match.

- Errors on a scorecard should be crossed out and initialed by the scorer. Erasures and/or changes without the scorer's initials could disqualify the team for that match.

Challenge Fee: \$2 will be charged for each challenge but will be refunded if challenge is sustained. All scores are tentative until publication of the final bulletin. Notify the Statistical Officer of any apparent errors.

Challenge Period: The challenge period will end 15 minutes after the posting of scores. The statistics officer will resolve all protests.

Equipment: In accordance with current NRA rules, allowed rifles are as follows: Service Rifle (3.1), Any Rifle/Any Sights (3.2); Match Rifle (3.3), Palma Rifle (3.3.1), Tactical AR (23 and 3.3.3), F-Class Open (F-O) (22 and 3.4.a.) and F-Class Target Rifle (F/TR) (22 and 3.4.b.). **Compensators, suppressors, and muzzle brakes are prohibited** (3.16.1).
